

MGP Summer Program

Registration for SUMMER 2017 BEGINS on March 1, 2017. Please turn in your registration form with your \$ 5.00 fee to hold the spot.

...

Our summer will be filled with tons of healthy fun!

Focus:

- Fitness, fitness, and more fitness. Nutrition and eating good. Children will have opportunities each week not only to exercise but also have daily physical tasks that will not only challenge them but get them in fit for summer hiking and much more. We will begin our day with yoga and stretching activities and help children recognize their own strengths with their own endurance.
- Food: Cooking challenges each week using foods that do not need to be cooked. Creating fun and delicious salads, sandwiches, and snacks. Monthly dinners prepared by children and families invited after work. Chefs coming to the school and teaching children simple techniques they can use in the kitchen.
- Visitors: fitness experts, chefs, doctors, and health nutritionists visit to share their expertise on good health and exercise. American Elite professionals not only instructing at their gym but here as well.
- Field trips: Grocery store, parks (hiking), rock climbing, American Elite, bowling, train rides, restaurants, and much more.

Summer Program Tuition:

Registration Fee: \$5.00/family

Half Day (up to 4.5 hours/day): \$15.00

Full Day (pick up by 5:30 pm): \$35.00

NOTES:

- There is no discount for children picked up by 3:00 pm for summer enrollment.
- You do not pay for days your child does not come, however, if you don't call them off by 8:00 am you will be charged for that day of attendance.
- After 5:30 late pick-up charges of \$10.00 applied.
- You may not sign up for field trips only, we have limited space. Some field trips may be open to children not enrolled in the program and will be indicated as such. If a trip occurs on a day that your child is not scheduled, you cannot sign up unless it is indicated as an "open" trip. You must schedule for your child to attend in advance.

- If you have two or more children in this summer program, please just list the other name(s) under the area provided for birthdate etc.
- Only one registration fee per family is required.
- Field trips, special events, etc. are not included in tuition.
